Everything has a starting point-your life, your relationships, your education, your career. Sometimes we forget that faith has a starting point as well. For some of us, our faith journeys began in childhood as a set of beliefs handed to us by a parent, teacher, or pastor. Maybe you developed a framework of faith based on personal experience. Or maybe you had no faith at all. Too often, a faith formed in childhood isn't strong enough to withstand the pressures of adult life. But what if you could find a new starting point for faith? Welcome to Starting Point - an 8-session small group conversation about faith. Whether you're new to faith, curious about God, or coming back to church after some time away, it's a place where your opinions and beliefs are valued, and no question is off limits. During the eight sessions, you will: * Use this Starting Point Conversation Guide to reflect on central questions of faith and life. * Watch the video component each week in preparation or as part of the discussion....

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
