Brand New Book ***** Print on Demand *****.Excerpt from Education in Detroit, 1916: Department of Superintendence, National Education Association, 1916 Ladies and Gentlemen: - As President of the Board of Education of the City of Detroit it is my privilege officially to welcome you as members of the Department of Superintendence of the National Educational Association. I invite you to partake of our hospitality, to inspect our city, and above all to survey our schools. You will find that we are facing large problems. Of these the chief one that occupies our attention at the present time is how, in view of the fact that the city is growing at the rate of 80,000 persons a year, to provide enough school buildings. No less than sixty of these have been built since 1905, but we are still far in the rear of our needs, and likely, if Hugh Chalmers prophecy of 1,250,000 population for Detroit in 1920 be true, to fall still further behind. We hope that what we have done will meet with your approval, but we are more anxious to have your help than your applause. We therefore solicit constructive criticism of those things which we have done amiss and invite suggestions as to those things which we have left undone. Permit me to express the wish that you may find such pleasure and profit in Detroit that this visit will be followed by many others.
