## KAUTILYA UNLEASHED: THE PHILOSOPHY OF HRD AND ARTHASHASTRA (PAPERBACK)

Partridge India, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Kautilya Unleashed is a courageous and innovative attempt by Dr. C.T.William to analyze the management principles behind the successful working of the Mauryan Empire, India s first great empire in archeologically recorded history to rule most of the Indian subcontinent. The current trend towards an increasingly globalized environment has led to the desire to learn and understand the dynamics and historical and sociological roots of various cultures and models of social and business organization other than that of one s own. The recent proliferation of studies analyses and books on Sun Tzu s The Art of War and Machiavelli s The Prince are a pointer to this phenomenon. In that context, a study, such as the one attempted here by Dr. William on Kautilya and Arthashastra, is most timely. I am sure that this work will serve as a path breaker for more such studies in the field of modern business management, not only in India but across the world, on India s proven successes in producing effective systems of social administration and human management in ancient times.
