Ronsdale Press. Paperback. Book Condition: new. BRAND NEW, Seas of South Africa, Philip Roy, Ages 10 years & over. This is the sixth volume in the best-selling Submarine Outlaw series, it has been over two years since the young explorer first set sail in his own submarine, with his dog and seagull crew. Now, almost seventeen, Alfred is on the cusp of switching from exploring the world to playing an active environmentalist role in protecting the sea that he loves so dearly. Brought into conflict with the pirate scourge that plagues Africas eastern shores, Alfred takes action against them, only to bring them into tireless pursuit of him. Escaping overland to Johannesburg, with a reckless young inventor from Soweto, Alfred discovers that the violence which taints the shores of the continent is deeply embedded in the life of South African society, so recently freed from Apartheid. Despairing at the cruelty inflicted upon his friend, Alfred learns that the antidote to violence is not more violence, but the strength of ones heart and an indomitable determination to improve the world, as exemplified in the life of Nelson Mandela. Armed with new inspiration, Alfred is ready to become the eco-warrior he was destined to be.
