Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Cool Names for Babies, Pamela Redmond Satran, Linda Rosenkrantz, The up-to-the-minute word on what's hot and what's not in baby names. Every new parent faces the dilemma of what to call their baby - should you stick to something traditional? Or come up with something unfamiliar? Since its first publication in 2004, Cool Names for Babies has become the last word in what names are cool and how to choose one for your child. This latest edition is packed with up-to-date info on today's most popular choices, as well as the most recent offerings from the celebrity name game. In addition, Cool Names for Babies suggests how you can use your imagination and source names from the past, from art, place names, literature, colours, nature, the music scene, and even video games! How about taking Gwyneth Paltrow's fruit name route, but opting for something a little more exotic, such as Papaya or Tamarillo? Or why not try revamping a more common name by adding an extra letter so that Amos becomes Ramos? Or, as Jordan soars in popularity, how about going for another river such as Amazon or Seine? More and more parents are looking for unusual and individual ideas, which are not catered for in traditional babies' names books, this is the title for them. It's fun; it's informative; and it's packed with inspiration. Chapters cover:

- * Mainstream names
- * Famous names
- * Old names
- * Creative names.
