By Kirsten Beyer

Simon & Schuster. Paperback. Book Condition: new. BRAND NEW, Protectors, Kirsten Beyer, Following the destruction of four fleet vessels at the hands of the Omega Continuum, the U.S.S.Voyagerand U.S.S.Demeterset course for a region of the Delta Quadrant far beyond anything previously explored. Captain Chakotay is determined to prove to Starfleet Command that the fleet's ongoing mission is vital to Federation interests.and the key to doing so may lie in a distress call Voyagerreceived nine years earlier, but could not investigate. Meanwhile, Vice Admiral Kathryn Janeway is recalled to the Alpha Quadrant for an evaluation period to determine her next assignment. Given the trauma she has recently endured, Admiral Akaar, Starfleet's Commander-in-Chief, questions Janeway's fitness to command the fleet. Janeway's primary concern remains the fleet's safety. For their mission to continue, she must find a way to secure the resources they require. But the uncertainty of her superior officers has left her powerless to act in theirbest interests. The U.S.S. Galenis dispatched to return Janeway to Earth and tasked thereafter with a mission to a remote Starbase in the Beta Quadrant where an individual they believe to be a member of the Caeliar gestalt has been recovered. The Doctor's experience with...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
