Reviews

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Ask anyone at church, school, or work. They would all agree. Except things have been happening around me lately. Things that make me think maybe I ve miscalculated my life completely. Something s wrong. All of my life I ve been told how beautiful, smart, talented, and wonderful I am. I even go to church every time the doors are open for crying out loud! But the truth, well, I m afraid the truth is a little harder to swallow, and a lot harder to stomach. My good has been looking a little rough around the edges. I m starting to crack under the pressure of being the image of goodness Mama believes I am. Nobody is that good. That s why I m here, in the police station, getting ready to confess to a couple of murders. This is what happens when good gives birth to crazy.
