Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

He attributes the cause of this disease principally to high temperature, as shown by its prevalence during excessive hot weather. He speaks highly of the use of Chapman s ice bags in treatment, but recommends no specific drugs. He says, You must treat each individual case by itself and for itself, according to its symptoms and indications. Be careful and do not treat them too much. Let the sin be one of omission rather than of commission. Keep the babies, especially their backs and spines, from getting too warm, and see that they have plenty of air, pure healthy air; sufficient clean, healthy, digestible and appropriate nourishment; and perhaps--they will live.
