

Imagining Children Otherwise: Theoretical and Critical Perspectives on Childhood Subjectivity (Hardback)

By -

Peter Lang Publishing Inc, United States, 2010. Hardback. Book Condition: New. 2nd Revised edition. 229 x 159 mm. Language: English . Brand New Book. The purpose of this book is to imagine things otherwise in theorizing childhood subjectivity. The work brings together influential thinkers who are forthright in their refusal to be seduced by simplistic binaries, who are willing to address the notion of childhood subjectivity in ways that are complex and critical, and whose arguments lead to practical advances in our thinking about child policy, child-rearing, pedagogy, and curriculum. The contributors, distinguished authors from across the English-speaking world, are concerned about the ways in which teachers practices are increasingly boundaried and policed, and they grieve for the stifling consequences for future generations of children. Postcolonial and poststructural theories, psychoanalysis, critical theory, personal narrative, and indigenous epistemologies are used creatively to pose the question of childhood subjectivity and to engage the promise of the question-child. This work contributes to a reconsideration of childhood and a rethinking of how we might enhance each child's journey toward becoming.

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.

-- **Andres Bashirian**

Comprehensive guide for publication fanatics. This really is for all who statte there had not been a well worth reading through. I discovered this ebook from my dad and i encouraged this book to find out.
