Civil Society has emerged as one of the most celebrated concept of the twentieth and the twenty-first centuries. When available practices fail, reasons have been sought in the ideals being too lofty, and when the ideals looked minimalist, the blame has been shifted to the nature of practices being free-floating and bereft of definitive borders. Politics of Post-Civil Society is an attempt to map the discourse and politics of contemporary political movements in India that have been negotiating with the hegemonic effects born out of the insidious co-habitation of political principles and practices in the domain referred to as the civil society.
