Aerial View, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Using personal stories, the Bible, along with other writers quotes; there is a collision of paradigms, worldviews, and presuppositions in an effort to usurp--if only for a moment--your (the reader s) perspective of lofty things. Hoping to spur you on to investigate and experience the height, width, and depth of God s love, purpose, and intention for His created people. Submitting for your consideration minute fractions of snapshot tweet-lengthed ideas concerning God as Father, creation and its purpose, covenant relationship, sin s interruption, Jesus faithfulness, our faith, the many faces of love. There is a lot covered in the brevity of the text. There is an invitation to interact with the text and the author, the goal is to lend thoughtful and gracious dialogue to the metanarrative conversation. Each chapter answers in part the following questions: Who is God? Who is Jesus? What was the purpose of creation? What s my purpose for being alive? When does our journey/pilgrimage begin? What is sin? What is covenant? What happened with the flood? What is faith? What is love? How do we understand sex as a spiritual interaction? Join the conversation as we pursue to elevate and know the God in the Heavens.
