CLC Ministries. Paperback / softback. Book Condition: new. BRAND NEW, War on the Saints, Jessie Penn-Lewis, A witness of the Welch Revival at the dawn of the 20th century, Jessie Penn-Lewis saw the rise of many extreme practices which brought about the decline of the spirit of revival. She shows Satan's many methods of spiritual deception used to confuse and entrap believers and keep them from effectively following God. You will be shocked and angered as you see how successful these methods have been throughout the centuries and perhaps in your own life. This classic work on spiritual warfare and demonic oppression stands in stark contrast to many current books that are based on personal experiences and not on the Word of God.
