Deadly Impact: A Richard Mariner Nautical Adventure

By Peter Tonkin

Severn House Publishers Ltd. Hardback. Book Condition: new. BRAND NEW, Deadly Impact: A Richard Mariner Nautical Adventure, Peter Tonkin, Sayonara. The world's largest Liquid Natural Gas tanker. She represents a huge and risky investment for Heritage Mariner. The first vessel of this size to sail without a crew, using only computer control and millimetre-precise GPS positioning, she is programmed to dock automatically in Japan. Her cargo has the potential of fifty-five atom bombs, which will power the construction of the floating city of Kujukuri thirty-five miles west of Tokyo. But four days before docking, a group of pirates goes aboard, breaks into her secure areas, hacks her computers and takes control. Richard Mariner has ninety-nine hours to assemble a team and retake Sayonara in an increasingly desperate, danger-filled race against time to save his ship, protect his company and safeguard one of the most densely populated areas on earth.

Reviews

Very useful to all of category of people. I actually have read through and that i am sure that i will likely to go through once more again in the foreseeable future. I realized this book from my i and dad advised this publication to find out.

-- **Alta Kirlin**

This is the very best publication i have got read until now. It is definitely simplified but shocks within the fifty percent of the pdf. You may like how the article writer create this pdf.
