Pentastic Publishing, United States, 2012. Paperback. Book Condition: New. 201 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.After breaking a world record for balancing 95 glasses on his chin, Thomas Dismukes has become an expert in the inexplicable pursuit of a life in balance. A life not of indecision and complacency, but a life of peace, purpose, and priority. We all strive to balance our personal and professional lives, to be remembered, and to live a life of significance. More often than not, the problems and struggles we endure are the direct result of an improper focus. It is this balance and significance one can find while mastering A Leader s FOCUS. Thomas appeal is universal. More than a million people across the U.S. and 19 countries have heard his unbelievable but true stories. Never turning down an opportunity for a good story or a miserable time, Thomas s true life adventures range from sleeping in dumpsters in England to exploring the Arctic Circle. He s survived bareback rodeos, skunks in space suits, and electrocution in Sweden. He s walked through the Alps barefoot, explored parts of the Arctic Circle, and discovered a lost medieval tomb in Scotland. He s lassoed a wild beaver and was nearly drowned by an irrational goose. Thomas has a unique ability to discern a meaning behind the madness in a principle everyone can relate to, laugh at, and apply to their lives.
