C&T. 1 Paperback(s), 2012. soft. Book Condition: New. For these contemporary interpretations of antique quilts from the International Quilt Study Center & Museum in Lincoln, Nebraska, Carol Gilam Jones and Bobbi Finley pored through the museum's collection to find inspiration for their project designs, ranging from simply functional to delightfully pictorial. The 18 projects feature a remarkable array of styles, settings, and color schemes, and each of their adaptations plays off of the essential qualities of the original quilt. They employ a variety of techniques, including needle-turned appliqué and improvisational piecing with traditional blocks. 112.
