But in the development of children's intelligence. how to do more with less effective it? This will depend on two key factors: First. grasp the smart. targeted education; First. we must firmly grasp the intelligent open the golden period. First of all. we should be smart hub - the brain has a clear understanding. The human brain is divided into two parts. namely. the left brain and the right brain. Their shapes are similar. but different functions. Is generally believed that the left brain is the brain of consciousness. mainly through language. mathematics. rational. logical thinking. is the highest frequency life; right brain is subconscious brain. good at thinking in images. the main use of graphics. music. space. emotional emotional thinking most creative; say left brain like a scientist. then the right brain is like an artist. Left brain and right brain are equally important and interdependent and mutually reinforcing. Therefore. the development of intelligent; key is to let the left and right brain development of a comprehensive and balanced. so that language. memory. imagination. logic. creativity. problem-solving ability have been improved. The human brain can be described as the most sophisticated organ in the world. is rich in resources. However. most people throughout their...
