Those who do live this way often end up feeling empty and still wanting something even as they fill their rooms with unnecessary material possessions.You may not know it, but you could be living that life right now.First hint: You have a closet filled with clothes, yet you only frequently and repeatedly wear 1/4 of its contents.Second hint: When you walk from your bedroom to the kitchen every morning, you have to kick or nudge something in the floor out of the way.Third hint: You haven t thrown anything out for the last three months.We could go on and on with these hints on whether or not you are surrounded by clutter, but that would be beside the point. What you need to do now is evaluate your environment and lifestyle....
