Each has only a two-word caption ("ScaredBrave," "AloneTogether," "HappySad") yet the images are so full of unexpected and hilarious details that youngsters up to 7 will find no limit to the situations and relationships they can imagine here, making this book ideal for sharing with an adult or other children in a group."An unusual children's book that will lead to visual and conceptual adventures that are profoundly educational."Midwest Book Review"A German surrealist debuts on this side of the Atlantic with a set of independent scenes that will give wings to flights of imagination.
