Palgrave Macmillan. Hardback. Book Condition: new. BRAND NEW, The Unconquered: With Another, Earlier Adaptation of We the Living, Ayn Rand, Robert Mayhew, Ayn Rand was an American novelist, philosopher, playwright, and screenwriter. She is known for her two best-selling novels, *The Fountainhead* and *Atlas Shrugged*, and for developing a philosophical system known as Objectivism. In the 1930s, Rand was asked to adapt her first novel, *We the Living*, for the theatre. *We the Living* is a story of life in post-revolutionary Russia and Rand's first statement against communism. It was not a commercial success when it was published, but has gone on to sell over 3 million copies. The first substantial fiction of Rand to appear in over twenty years, this important volume contains two never-before published versions of the play - the first and last versions (the latter entitled *The Unconquered*). With a preface that places the work in its historical and political context, an essay on the history of the theatrical adaptation by Jeff Britting, the curator of the Ayn Rand Archives, and two alternative endings, this book is a must-have for anyone interested in Rand's philosophy.
