ENGLAND ON HORSEBACK

Clearview. Hardback. Book Condition: new. BRAND NEW, England on Horseback, Charlotte Sainsbury-Plaice, Zara Colchester, To see England properly, I recommend viewing it from the saddle.' A.F Tschiffely. Travelling through England, and doing it on horseback, is to rediscover both the romance of the countryside and man's relationship with both his environment and his horse. With twelve carefully crafted rides to choose from, from Dorset in the south west to Yorkshire in the north east, this specially photographed book will transport you back to a time before cars and tarmac roads, when life was simpler and slower. Escape down tracks that are carefully catalogued in the Domesday book, or past Thomas Hardy's cottage and great stately houses, through Cotswolds villages and along beaches. Each ride contains a comprehensive map detailed the route and telling you how long it will take, places to stay (that welcome horses), essential kit to take with you and places of interest to visit along the way. In short, an inspirational guide book for the enterprising (or armchair) traveller.
