Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Prophetic Element in the Old Testament: An Aid to Historical Study for Use in Advanced Bible Classes This collection of studies is a partial realization of a larger plan which includes the entire field of prophecy, its scope resembling that of my volume, The Priestly Element in the Old Testament (1905). It has been found necessary to publish the first part, with the expectation that the second part will follow within a comparatively short time. These studies are intended primarily for students in college and those in the theological seminary, but they will not be found too technical for the more intelligent Bible classes in our best Sunday schools. The plan rests upon two vital principles: (1) That the student, guided by the suggestions made, shall do his own thinking and reach results which at least in a measure may be called his own. No conscious effort has been put forth to control the exact development of his thought. (2) That the student shall do his work upon the basis of the Scripture material; in other words, that he shall study the Bible, and not merely read what others have said concerning it. At the same time, the literature of each subject discussed has been presented in detail. Only that literature has been included which seems to be most important and is most easily accessible. Arrangements have already been made for the publication of this material in a more simple form intended for students of high-school grade. For a more technical presentation the reader is referred to the author s Amos and Hosea ( International Critical Commentary, 1905). The Appendixes present some materials essential...
