

The Writing of Medical Papers (Paperback)

By Maud H Mellish

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This little book supplies a need the filling of which will be appreciated, not only by physicians, but by all who have to do with the writing, editing or abstracting of medical literature. It is a handbook containing in brief and readily usable form the essential points to be found in general textbooks on the art of writing. It reduces these points to those especially applicable to the treatment of medical subjects, the rules have been made definite, and the whole carefully indexed. The subject matter has been arranged in two distinct parts: technical and general. Stress is laid, in the preparation of manuscripts, upon brevity, accuracy and clearness, and adherence to the accepted forms of present day usage. One of the greatest values of the book is the inclusion of certain material difficult to find elsewhere, at least in so convenient and compact a form. Among this material are useful lists, such as those of words still italicized and of words no longer italicized, English plurals of Latin or foreign terms, words still retaining...
